See the [DSHS rule](#) for more details, including the conditions for ending the exclusion period and returning to school.
- In addition to the criteria and processes described above, for a student who has been diagnosed with COVID-19, it is strongly recommended that the student receive, in accordance with the most current resources available from the [American Academy of Pediatrics \(AAP\)](#) and/or the [American](#)

[College of Cardiology \(ACC\)](#), clearance from a physician, or a physician-approved delegate prior to returning to participation in UIL marching band or athletic activities.

Students & Staff Who Are Close Contacts

- Schools must follow [TEA Public Health Guidance](#) related to students and staff who have been identified as close contacts.

Spectators: Capacity and Visiting Spectators Attendance

UIL is not currently limiting capacity for spectators at UIL events. If a school is limiting capacity as a local decision, the following applies:

- Schools must allow visiting school fans to attend district contests if home school fans are allowed to attend, unless the schools involved in the district contest mutually agree to only allow home school fans.
- The number of tickets or percentage of allowed spectator space provided to the visiting team should be determined by the DEC. If the DEC has not made such determination, the hosting school shall make a reasonable effort to accommodate visiting fans.
- For non-district contests, the two schools involved must mutually agree on home and visiting school fans attendance.
- For football, the UIL Constitution and Contest Rules, [Section 1250\(g\)\(1\)](#) states: "The visiting team has the right to demand one-half of the stadium seats in relation to the 50-yard line in all UIL football contests, whether district games, non-district games or playoff games, unless mutually agreed otherwise by the two schools involved. A visiting team can demand one-half of the reserved seats. A visiting team has a right to split the stadium in relation to the 50-yard line, subject to the end zone situation being equal, unless mutually agreeable otherwise."
- If a visiting team requests, the home school must provide the visiting school with 50% of the available tickets/seating for the facility. Schools may mutually agree otherwise; however, without mutual agreement from both schools in the game, this rule applies. This applies to both district and non-district football games.
